Seminoles' Comments

- The future looks good with Jimbo Fisher. Give them another year to start competing with UF.
- I'm still mad about them not giving Bobby that final year to do a goodwill tour while Fisher basically ran the football team.
- I've been a Nole since before I was conceived, but reality dictates that two years from now (with Heisman winner E.J. Manuel at the helm) will be our best shot at a national title.
- F.S.U. has a great opportunity to be a very good team this year, however, it may be up to depth in the defense. Can they be healthy most of the year??
- Ticket Prices are too high. Rows and seats are too close together. Attached seats are a pain in the butt. Too many people want to stand up the whole game. Parking is unreal. Too many games scheduled (dictated) by TV at unfavorable times.
- FSU is a year or two away from returning to the Bowden glory years.

Will Tim Tebow become a starting quarterback in the NFL?

Will Christian Ponder win the Heisman Trophy?
