# Seminoles' Comments

- If FSU ends up in the top 5 at the end of the season, I might become a Fisher fan.
- I like Jimbo's approach to teaching, training, practicing and game management. If the young men will put in the necessary commitment, we should win the glass football again.
- FSU will stumble at the beginning but will pick up speed on the downhill slope.
- FSU returns to top national prominence in Jimbo Fisher's second year as head coach. He will beat Oklahoma -- solidifying his new legend -- which will propel FSU into an early national championship discussion. The Noles will run the table.
- Florida State is on the edge of greatness again. The last decade is behind us and we seem to be back in the game. I'm very optimistic.
- They should be ashamed of themselves for not letting Bowden have that last year and go out in style.
